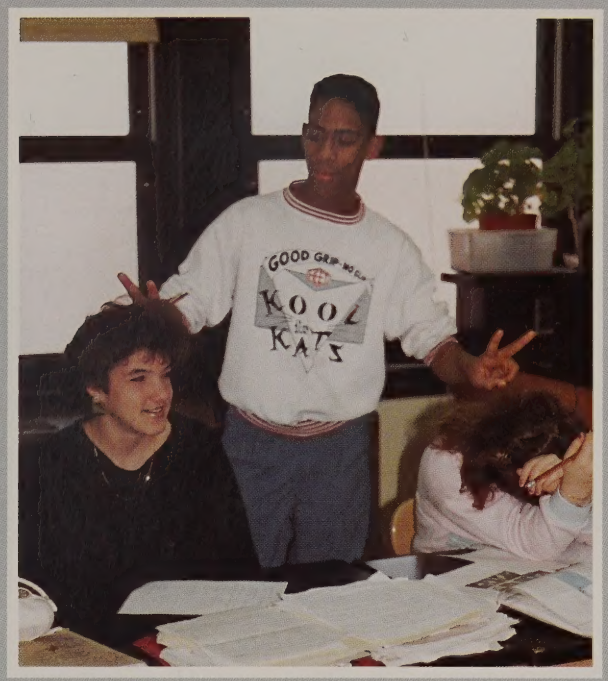
Welcome To Walpole High School



FRIENDS

When looking back on our high school years, we often remember our friends. We call to mind the friends who made our lives more enjoyable, who made the good times even better, and especially those who made the rough times seem easier. May the friendships we make today last until tomorrow. - DB

JELLO WRESTLING

New meaning was given to the phrase "watch it wiggle, see it jiggle." when Walpole High School held its first Jello Wrestling night during the fall. Several wrestlers battled each other to the end in the slimy pit. - DB

Football

The 1987 Rebel Football Team had another great season. Although they lost the league title to Dedham, they still compiled a 9-1 record, good enough for 2nd place in the league and 3rd in the state ranking. Led by All-American tailback Adam Shinnick, the Rebels clearly dominated the opposition. Seniors, Joe Abate, Wade Stuber, J. R. McDonald, Adam Shinnick, and Joe Verderber were all named to the league all-star team. Todd Collins stepped in as starting QB and did a fine job leading a senior dominated offense. The defense chalked up 4 shut outs as they played their usual aggressive style. The highlight of the season, thanks to a late season snow storm, was their appearance at Sullivan Stadium where they defeated Framingham South.

Field Hockey

The Walpole Field Hockey team ended another successful season in a tournament game against Dennis-Yarmouth High School. Despite this piece of "hard luck", they otherwise had a terrific season. They captured the Bay State League Title with a record of 15-1-2, and then advanced in tournament to the South Sectional Finals.

Deserving All-Stars were, Jrs., Karen Collins and Meghan Sullivan, and Srs. Kim Haughey, Kim Robinson, and Colleen Callahan, who scored the only goal in that game. Second time M.V.P. Meghan Sullivan was also a Globe All-Scholastic, Daily Transcript All-Star, and Patriot Ledger All-Star.

Amongst several injuries, Coach Lee Walters was able to pull together a victorious team. Even when traveling two hours every other day for games and playing in ankle deep leaves did not discourage the Walpole Porkers from striving to get "all the Cookies".

The girls who gave the Porkers such a great season are as pictured in the team picture below (L to R) front row: Susan Davey, Keri Sullivan, Colleen Callahan, Missy Walsh, Christi Collins, Patty Burns, Kay Ryan, Lynn Mackenzie, Kim Haughey, Tracy Ryan, Kim Robinson, Kathy Dempsey. Girls' Volleyball

The girls volleyball team experienced a very slow start in 1987, as the girls were only able to post a 4-5 record for the first half of their season. However, in the second half, they went 6-3 and just missed the state tournament by one match.

The season was highlighted by near victories over Natick and Dedham and a thrilling upset over Wellesley. This years team was coached by Mr. Peter Turco. The varsity team pictured below in picture 1 are (L to R) front row: Nicole Reynard, Lisa Hadaya, Heidi Finnegan. Back row: Amy Willey, Jill Paleiko, Coach Turco, Kristen MacDonald, Carol Knight and Sherry Norton.

Div. 1 South Sectional tourney to Bridgewater-Raynham, 3-2, after beating New Bedford, 4-0, in the quarter finals. This is the seventh season of existance as a varsity sport at Walpole High School, and the fourth consecutive they have qualified for the state tournament.

Boy's Soccer

It was a frustrating season for the Rebel Soccer players because of a small turnout. The Rebels went 3-12-3 under seventh year coach Leo Delaney. Led by tri-captains Joe Murphy, Gerard Murphy, and Dave Rowe, the Rebels gave 100% each game although the record did not show it.

Pictured in the team photo are, front row: (L to R) Brian Cherella, Jack Platukis, Greg Friedhom, Jack Amorin, Richard Quinn, Peter Esselmen, and Greg Giandomenico. Back row, Coach Delaney, Jonathan Tillinghast, Scott Meehan, Joe Murphy, Gerard Murphy, Jim Hill, and Kevin Hilbrunner.

Golf

This year's golf team was a very new and determined group. Led by coach Ron Pozzo, they displayed hard work, determination, and a will to learn more about the game of golf. Although their record was 2 wins and 6 losses, the team achieved a squad which had tremendous spirit and confidence in each other. Also with only one senior, the captain, Dan Killory, most of this squad will be returning to pose a threat in the Bay State League in the years to come.

Two members were named all-stars, Senior, Dan Killory and Junior, Craig Frost.

Girl's Basketball

The Rebel Girls Basketball team finished an exciting season 2nd in the Bay State League with a record of 19-3. The Rebels advanced to the Southeast Sectional finals where they lost a hard fight against Foxboro.

Always providing excitement for the fans, Meghan Sullivan is getting set for a shot in tourney play vs. Archbishop Williams in pic. 3. Basically a young team led by two seniors, Missy Walsh and Capt. Kay Ryan , (shown in pic. 4 cheering her teammates to victory.) the girls were known for their tenacious defense shown in pic. 5 by Karen Collins. Rebounding was another fine trait of the team and Andrea shows in pic. 6 that she knows just what to do. There was never any stopping a fast break by Anne, shown in pic. 7. "Fight, Score, Win!" was the team's victory cheer and Kristen makes this come true in pic. 8.

The heartbreaking loss to Foxboro crushed the girls' dreams of playing in the Boston Garden, but it didn't ruin the tremendous spirit of the team which was a key factor throughout the entire season. The graduating seniors will leave two spaces to be filled on the team and the 1989 team with its mix of outstanding players is sure to be the team to beat.

It was a stellar year for Coach Kirrane and his Rebels. They went undefeated with a 15-0-3 record and captured the Bay State League Crown. In the first game against Natick, they pulled out a victory when Joe Verderber scored the game winning goal to make the score 2-1. In the second game, it was Capt. Bill O'Connell's turn. Natick jumped to a quick 2-0 lead, but then Bill got a goal and Gerard Murphy netted one. Then in the third period, Bill made a beautiful move to beat the Natick net minder.

The team was comprised mostly of seniors with sophomores and freshmen adding depth. Their hard work and determination gave them a victory in the first tournament game against N. Quincy. But, another Garden appearance was not to be. Walpole was beat in the second game by Randolph 5-3. Joe Verderber was selected league co-MVP and Bill O'Connell, Scott Meehan, Joe Verderber, and Tim Sullivan were named to the All-Star team. Joe Murphy, Gerard Murphy and Tim Chambers made the playing all-star team.

Softball

Once again the upstart Walpole Rebels softball team took on their opponents with enthusiasm, strength and power. They were not considered as a league contender at the outset, but before the season was half over, they became just that. Their most exciting win of the season, one against Wellesley's 90 mile per hour pitcher Lisa Moore, gave Walpole the impetus they needed to continue on and win the Bay State League title.

In Tournament play, the team had a bye in the preliminary round since they were League Champs and were seeded second. In the first round they defeated Randolph 6-3 and were knocked out in the quarter finals of the state matches by Dartmouth.

Girls' Track and Field

The Girls Spring Track team went 6-3 this year. The team's strength was not centered in one area but was spread out over different events. Distance runners Keri Sullivan (capt.) in the mile and Patty Collins in the 2 mile were strong assets to the team in these events. Anne Gamache held up the team as high scorer in such events as long jump, 220, 110, and 4x110, among others. Kay Ryan (capt.), and Lisa Guitani shined in discus. Susan Keefe (capt.), Susan Carter, and Nicole Reynard all helped the team in hurdles. Others who had strong performances were Meghan Collins, Kelly Ryan, Bridget Wood and Allie Baker. With all the depth that the team has because of the freshmen, it is expected that the team will do as well if not better in the future. Of course, the season wouldn't have been a success without the excellent coaching staff of Ms. Janet Williams, Donna McCarthy and Greg Demeo.

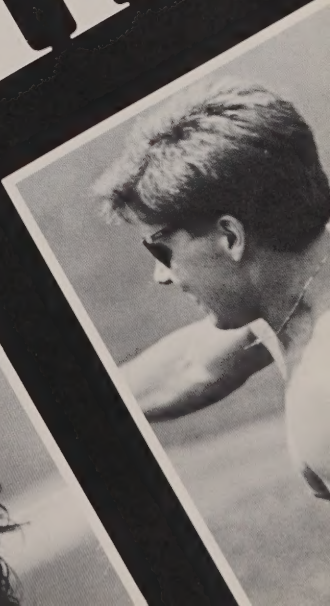
ACTIVITIES



H.E.L.P

The H.E.L.P. group was formed by students this year headed by Ellen Rooney. The purpose was to provide a way for students to be involved in world issues like hunger and human rights.

Two projects were planned and carried out. The first was serving dinner at a shelter for the homeless. The other was raising money to sponsor an underprivileged child.

RADIO STATION

Every day from 2:30 to 9:30 p.m. a group of about fifteen students take turns broadcasting Rock and Roll music, and school and sports news on the school radio station.

Participants need no previous experience since they are trained on the job by their advisor, Tim Hogan. Their studio is located on the second floor near the music room.

REBELLION

The Rebellion had its start over 15 years ago and is flourishing today because of a production setup that allows journalism students to process articles on the Apple II GS. The six issues this year have taken on a professional look as students used the Macintosh printer. Later in the school year it was decided that there was more material to publish than the six Rebellion issues could handle. As a result, the staff brainstormed into existence a news sheet called 'The Rebel Runt', a joint effort of the journalism and graphic arts departments.

LABYRINTH

Two issues of the creative writing magazine went on the stands this year. Dean Calusdian, editor and primary staff member with some help from a handful of volunteers, gleaned student poems and stories submitted by teachers and students to publish two 70-page magazines filled, not only with writing, but with some outstanding work done by student artists. The printing was done by Production located on School Street. One hundred and fifty copies were printed and sold out.

DRAMA CLUB

The Drama Club, headed by Mrs. Diane Hudson, put on two outstanding productions this year. They opened this fall to an enthusiastic crowd with the comedy "Arsenic and Old Lace." On February 25/26 the third annual Walpole High musical, "The Music Man" was presented with help from Gaston Malloy, Linda Jiorle, Diane Hampe and Diane Barr. Over 70 people were involved in the cast, crew and orchestra. It was the best show yet at WHS.

SCIENCE CLUB

The science club endeavors to give students an opportunity to get involved in interesting applications of science and technology. Mr. Thomas Brown acts as the club's advisor.

One program this year had students observe the effects of magnetic fields in regular bar magnets and as produced by electrical circuits. An expanded program is planned for next year.

ACADEMIC DECATHLON

For the third year, Walpole High competed in the United States Academic Decathlon. In the qualifying round Walpole placed eleventh and qualified for the playoff competition. Erika Cervasio and Christy Esselman both won medals in the Fine Arts category, Scott Meehan received a gold medal for a perfect score in the Superquiz competition in aviation.

In the playoff round, we came in thirteenth. Christy Esselman won medals for Fine Arts, Economics, and Science. Honorable Mentions went to Erika Cervasio, John Norwell, and Rob Murphy for their speeches, and to Rob Murphy for his essay. As usual, Walpole High distinguished itself for its spirit and enthusiasm.

Other members were Ellen Rooney, Cristin Foley, and Steve Fisk. For coach Charles Hardy, it was another satisfying competition and a chance to show the world what Walpole can do in academics.

MATH TEAM

The 1987-1988 Walpole High Math Team was coordinated this year by Mrs. Lind, Mrs. Forester, and Miss Mara. Competing in four meets, they placed tenth overall in the league. It has taken hard work and dedication by the team members to reach this position, one spot above last year. Senior members were Bonnie Belanger, Erika Cervasion, Lynne Fasanello, Jon Friedholm and Kristin Trudeau.

FRENCH CLUB

A group of 15 students will be travelling to Paris this summer as members of the Walpole High School French Exchange Program. Their French Families will meet them on July 4 at the Charles de Gaulle Airport and take them to their homes near St. Germain-en-laye, a north west suburb. They will live with their families for the remainder of the month of July, visiting Paris, and in some instances vacationing in other parts of France. Next year the American students will be hosting their French counterparts in Walpole.

LATIN CLUB

The Latin Club provides activities that relate to the language of Latin and Roman Culture. The advisor is Mrs. Penny Calf and officers: Consuls-Christi Collins and Meghan Sullivan, Scribe-Stacy Loring, Tribune, Kay Ryan, Quaester-Karen Collins, Aedile, Andy Nicoletti. In December the Saturnalia party was held and in the spring a Persephone party. The Club attended Classics Day at nearby college. The highlight was the Roman Banquet at which activities were: Grape toss, discus throw, obstacle course, Janis race, 4x100 relay and Chariot race.

SPANISH CLUB

The Spanish Club consists of any Spanish students. Mr. Watson and Mr. Capone are the advisors, Jon Friedholm, president and Steve Puopulo vice president. The Club traveled to Guatalaharry's for a Spanish meal. The highlight was the trip to Spain during the Summer of 1987, where they stayed in Madrid for 9 days visiting the Prado Museum, the Retiro Park and the famous bullfights. Five days were spent in Santander where students stayed in the homes of Spanish families. The trip was so successful that another is planned in 1988.

PM CLUB

Although not an officially recognized club, the PM group tries to gather together a group of students each year to participate in cultural and recreational activities. Mrs. Diane Hudson and Mrs. Sylvia Agabian are the leaders. This year the group enjoyed two outstanding plays at Boston Theaters, "Les Miserables," and "Shear Madness."

HONOR SOCIETY

Front L to R: Kristin Trudeau, Jennifer Coffin, Michelle Hoyle, Sharon Baughman, Christy Esselman, Ellen Rooney, Janine Suzi, Erika Cervasio, Kelly McColgan, Kay Ryan. 2nd row: Gail Verderber, Karen Sullivan, Tracy Ryan, Mary Jo Carchedi, Susan Keefe, Stacy Loring, Lynn Fasanello, Christy Collins, Cristin Foley, Kelsey O'Brien, Missy Walsh, Mr. Tom Joy, advisor. Back row: Bridget Wood, Paul Kiss, Dan Greenwood, Mike Brown, Tim Collins, Steve Puopolo, Chris Demers, Jon Friedholm, Greg Hodgkins, Tom Belcher.

PEER LEADERSHIP

The Peer Leadership Program has had a successful third year since its establishment. New members were trained in the fall and joined returning members in entering both Middle Schools to educate younger children in the hazards of substance abuse. In addition, the Peer Leaders were instrumental in providing programs at the High School such as the annual multimedia production. The Peer Leadership Program also helped other programs such as the Health Department by hosting a Telethon.

SPOTLIGHT

The Spotlight Program is directed by Robert Coviello, faculty advisor. It is sponsored by the TEC schools and meets weekly at Bentley College. The fall sessions focused on the Theatre and its operation. The play "Remembrance" was studied with students meeting with the author and then with the casting, marketing, set, costume and other crews. Then they attended the play at the Huntington Theater. The Spring Session concentrated on the "Entrepreneur." Students talked with people who had started their own business.

METCO

The METCO program continues to be a success, transporting black students from sections of Boston to Walpole each day. These students receive an educational experience in a suburban town by having a host family in town so they may participate in school and extra-curricular activities. The program strives to enrich the METCO students and other students at the high school both socially and academically and to improve the approach and climate of learning in a multi-cultural society. This year there were 16 METCO students.

Yearbook Staff

Forty to fifty students were involved in creating the 1988 Yearbook. Ms. Robinson and Mrs. Powers took on the advisorship in November and a busy work schedule began at that time. The whole staff met for several hours with Mr. Roy Hult of Walsworth Publishing Company to learn some of the basics about producing the book. A sixteen page color section was decided upon. The editors and staff worked hard and carefully to produce this book.

STUDENT COUNCIL

This year the Student Council initiated a change in the midyear exam policy for seniors. Many charitable projects were carried out such as donating money to Globe Santa, collecting food and clothing for Project Cope, and caroling at a Nursing Home. Homecoming events, Field Day and three dances were organized by the Council. Members served a spaghetti supper for faculty on Parent-Teacher Conference Night.

A benefit concert for Mark Miller was held in January featuring many of Walpole High School's student bands. Other fund raising events included the Boxer Shorts Sale and the Gumball Contest.

The Senior Class has worked hard to make this graduation a special occasion for all involved. Pictured: Front row, Kristin Cappizzo, President Center: Missy Walsh, Treasurer: Kelly McColgan, Assistant Treasurer Back: Greg Hodgkins, Vice President; Mr. Morris, Advisor; Cristin Foley, Secretary

These students are able to share the views and ideas relating to issues raised at school committee meetings. In addition they bring concerns of the student body to the committee's attention. The members have gained an appreciation for as well as an awareness of the hassles they must go through. Members this year were; Front: Christi Collins, Erin McGee, Middle Kelly McColgan, Nancy Lee, Back: Greg Hodgkins, Mrs. Kunz, advisor

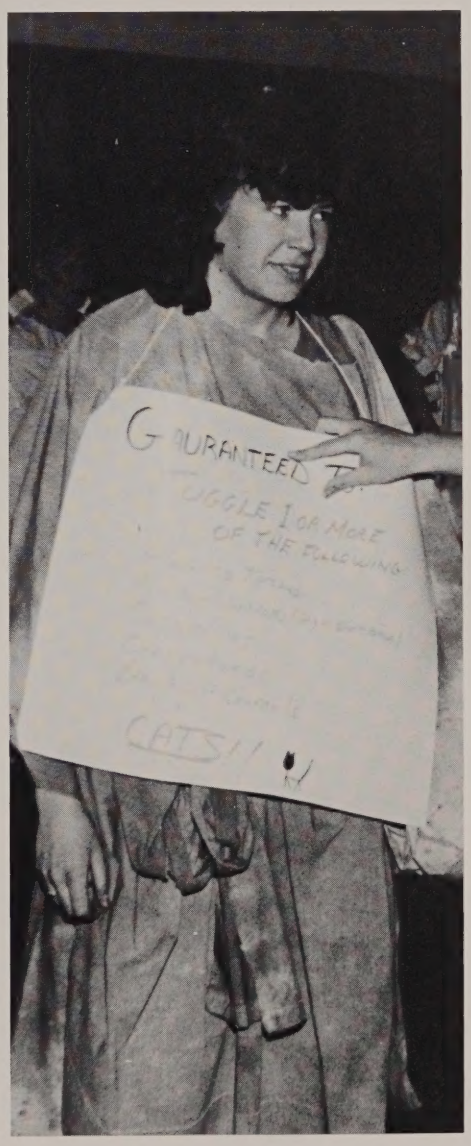
This provided an opportunity for the students involved to learn and share ideas about effective programs being conducted throughout Greater Boston's Schools.

Roman Banquet

A good time was had by all participants at the Roman Banquet. There were races, the ring toss, the chariot race, the slave auction, and the banquet.



BAND, ORCHESTRA AND CHORUS

This year, the Walpole High School Concert Band directed by Mr. Gaston Malloy, the Orchestra, directed by Mr. Michael Falker, and the Chorus directed by Mrs. Cathy Connor-Moen had a very successful season. The year was highlighted by a long awaited five day trip to Florida, which was filled with fun, excitement and hard work. All the music groups participated in the All American Music Festival in Apopka, near Orlando. They competed against other groups from across the country. The following awards were received: Parade Band, second; Orchestra, second: Mixed Chorus, first, Show Choir, first; Madrigals, first; Girl's Chorus, first. The Concert Band also performed at SeaWorld.

The musicians also performed at Winter and Spring Concerts in Walpole and at their annual Pops Night. The year was exciting for all participants.

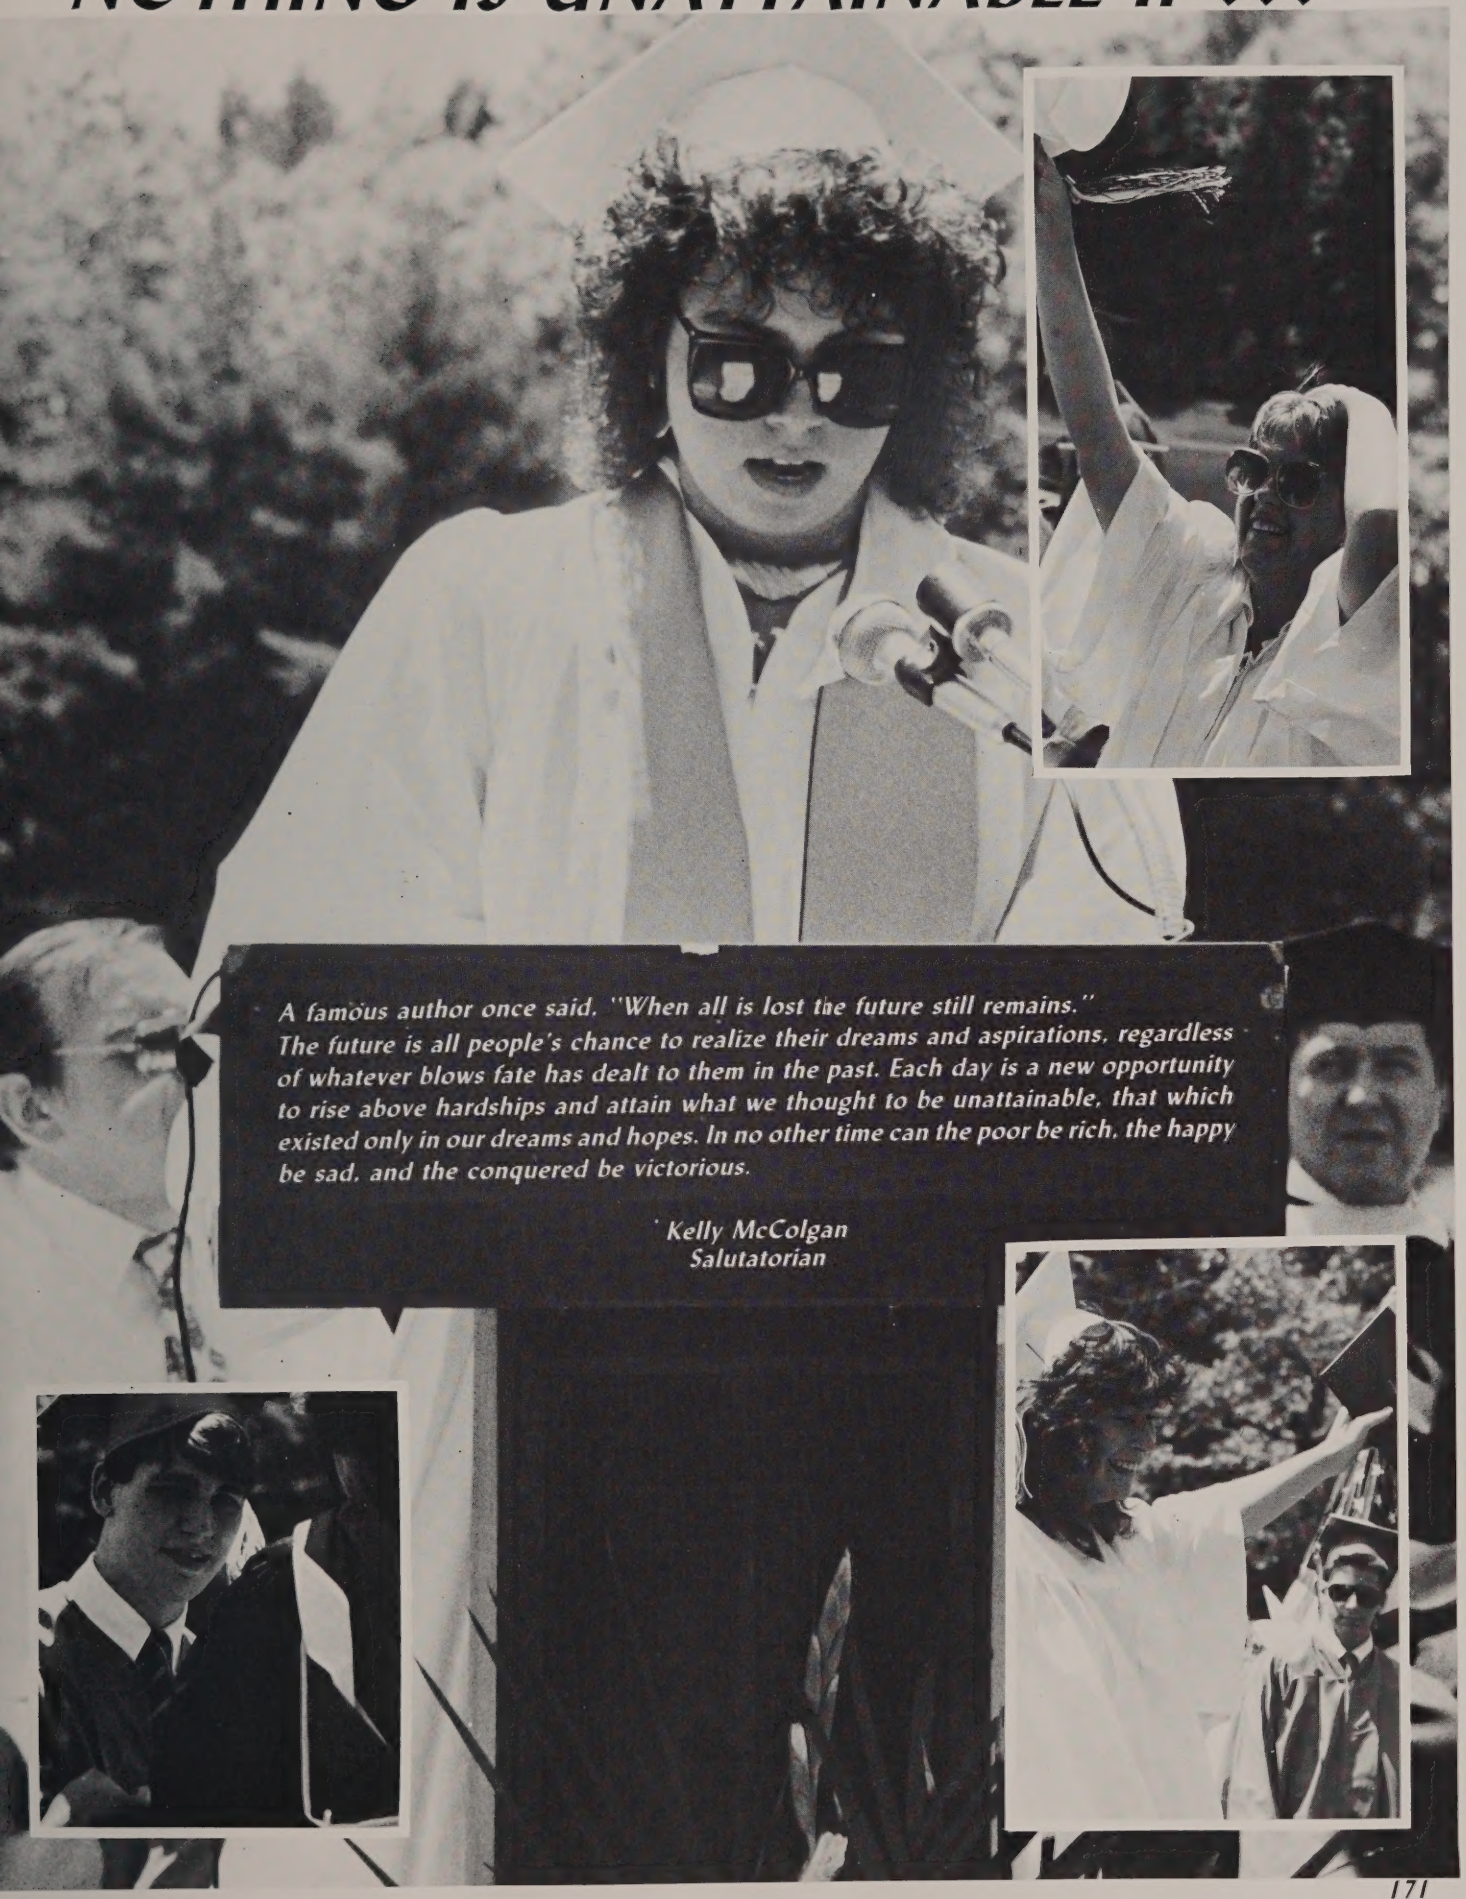
'TODAY'S DREAM IS TOMORROW'S FUTURE'

Thomas Huxley once said, "The rung of a ladder was never meant to rest upon, but on ly to hold a man's foot long enough to enable him to put the other somewhat higher." We celebrate today a step up on Mr. Huxley's ladder. Having completed an important era in our lives, we can look to the future with hope and determination.

Lynn Fasanello
Valedictorian

'NOTHING IS UNATTAINABLE IF . . .'



A famous author once said. "When all is lost the future still remains."
The future is all people's chance to realize their dreams and aspirations, regardless of whatever blows fate has dealt to them in the past. Each day is a new opportunity to rise above hardships and attain what we thought to be unattainable, that which existed only in our dreams and hopes. In no other time can the poor be rich, the happy be sad, and the conquered be victorious.

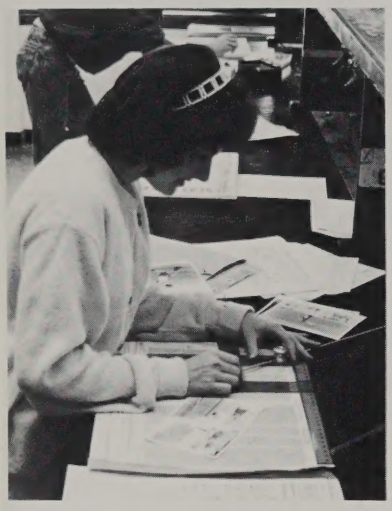
GET $25,200 FOR COLLEGE IN TODAY'S ARMY.



The rewards of being a soldier just got richer. With The New GI Bill Plus The New Army College Fund.

You contribute $100 a month from your first full 12 months' paychecks (for a total of $1,200). The government and the Army will contribute the rest (up to $9,600 from the government and up to $14,400 from the Army, if you qualify). That's a great deal.

And as a soldier, you'll also learn a great deal. The Army offers over 80 skills for training. Many of the skills are high-tech, and many are skills you might want to pursue in college.

Call your local Army Recruiter for all the details.
